

Press Release

## INTRED PARTICIPATES IN THE "VIRTUAL AIM ITALIA CONFERENCE MILAN 2020"

**Milan, 22 May 2020** – Intred S.p.A. (“Società” o “Intred”), a telecommunications operator listed on the AIM Italia market of Borsa Italiana since July 2018 (symbol: ITD.MI), will attend the "Virtual AIM Italia Conference Milan 2020", scheduled for Monday 25 May 2020.

The event, organized by Borsa Italiana, is dedicated to SMEs listed on the AIM Italia market and aimed at presenting the results obtained and the future prospects to Italian and international analysts and investors. Now in its 3rd edition, the AIM Italia Conference Milan 2020 will be organized completely in virtual mode, with digital meetings in one to one or group mode.

The company will be represented by the Co-founder and CEO of Intred Daniele Peli, the Board Director Adalberto Salvi, the CFO Filippo Leone and the IR Advisor Vincenza Colucci of CDR Communication.

On this occasion, Intred's Management will present the recent results for the first quarter of 2020, which show a 17% growth in turnover to € 5.7 million and double-digit growth of the proprietary fiber optic network, the best technology possible today that has gone from 2,900 km on 31 December 2019 to 3,200 km on 31 March 2020. The greatest development was recorded in the provinces of Bergamo, Monza and Brianza, Lecco, Milan and Brescia, especially following the investments completed in 2019.

The presentation for Intred investors will be made available, starting from Monday morning, in the "Investors" section of the Company's website [www.intred.it](http://www.intred.it).

Intred Telecomunicazioni

*Reference telecommunications operator in Lombardy founded in 1996 by Daniele Peli, the company's current Chairman and CEO, and listed on the Italian Stock Exchange AIM Italia market since 2018 (symbol: ITD.MI). With an optic fibre network of over 3,200 km, Intred provides ultra-broadband, broadband and wireless connectivity, landline telephone services, cloud services and related services for business and retail customers, the latter served with the EIR brand. Intred directly operates its own infrastructure to ensure efficiency, profitability, service quality and – thanks to a dedicated in-house call centre – excellent service levels for its users. Its high-value assets and consolidated, highly scalable business model, combined with a turnover of €20.8 million as at 31 December 2019, make Intred an ideal infrastructure technology partner with a full range of high-quality, reliable and secure solutions.
